THIS IS UNEVALUATED INFORMATION

25X1

China

1. [] 100 drums of gasoline were delivered to Paise Airfield, Kwangsi, and were emptied into underground storage tanks. 25X1
2. [] three single-engine planes landed at Paise Airfield to test the runway. They departed the following day. 25X1

Hong Kong

3. An airfield is being built on outer Lingting Island by 1,500 laborers. 25X1
4. [] four Soviet-made coast artillery pieces had arrived and were being installed on Lingting Island. 25X1

China

5. The East China Military Area Air Force Command has ordered the expansion of Mingkukung Airfield, Nanking. The plans are to increase the airfield area, to extend the main runway, and to add two smaller runways, 10 more oil storage tanks, 6 more hangers, 16 more rows of barracks, and more barbed wire fences to the two "rings" already there. Work was begun on [] and is to be completed in 6 months. 25X1
